

**CRP 2770
Bigelow Gulch Road
Phase One**

SPOKANE COUNTY

Open House

What's Happening?

The public is invited to an Open House to discuss the Bigelow Gulch Road Project, Phase One (from Havana Street eastward approximately 3,000 ft.). This project will widen Bigelow Gulch Road to two eastbound lanes and two westbound lanes, with an eastbound left turn lane at the Havana Street intersection. During construction, traffic will remain open in both directions with intermittent closures.

Why an Open House?

This is an opportunity for local residents to ask questions and learn the details of the project "one-on-one" with county engineers who will be overseeing the project.

Where and When?

The Open House is scheduled for Thursday, July 17, 2008 at Spokane County Fire District 9, Station 94 (located at 7017 N. Jensen Road) from 4:30 -7:30 p.m.

Why should I attend?

Construction for this project is scheduled to begin September 2008 and will take approximately one year to complete (estimated). The Open House will be an opportunity to learn how this project will impact local residents and traffic.
