FOR IMMEDIATE RELEASE:

Roads Dept. Receives Grant for Market Street Improvements

SPOKANE COUNTY, January 15, 2015 – The Spokane County Division of Engineering and Roads has received a Transportation Improvement Board Urban Arterial grant for Market Street.

The \$2,200,000 project will reconstruct Market Street from Houston Avenue to Lincoln Road. The pavement surface will be restored along with various segments of existing sidewalk on the west side of Market Street. A new 5.5 foot wide sidewalk will be added to the east side of the roadway. Curb ramps will also be rebuilt to meet ADA standards and a 5 foot wide bicycle lane will be added to each side of the roadway. The roadway will be revised from the existing four lanes to a three lane section.

The project is scheduled to begin the design phase in March 2015 with construction scheduled for the summer of 2016. For additional information, please visit our website at <http://www.spokanecounty.org/engineer/content.aspx?c=3160> .

About Spokane County

Spokane County government serves 485,000 citizens and 13 municipal jurisdictions, making it the fourth-largest county in the State of Washington, with the largest road system in the state (2,500+ miles)!
