PROTECTED PARTY'S MOTION

1. I, _____, am the person protected in a Domestic
PRINT Name and Date of Birth of Protected Party
Violence No Contact Order that the Court issued against the Defendant in this case.

2. I request that the Court enter an order to (*check one*):

- RESCIND (recall or remove) the DV No Contact Order protecting me.
 MODIFY (change or replace) the DV No Contact Order protecting me.

3. The Court should rescind/recall or modify/change the DV No Contact Order in this case
because:

(Do not discuss the facts of the case, just your *reason(s)* for wanting the Order modified or rescinded.)

I understand that if the Court grants my motion to rescind/recall the No Contact Order I will no longer be protected by the Order but that I can file for a civil protection order separate from this criminal case.

Fill out #4 only if you want to MODIFY/CHANGE (but not rescind/recall) the Order.

4. The Court should modify the terms and conditions of the DV No Contact Order as follows:

(Explain what changes you want to the Order - be specific. Attach additional pages if necessary.)

I understand that if the Court grants my motion to modify that the Court will issue a new Domestic Violence No Contact Order that will replace the No Contact Order I want to modify.

I certify under penalty of perjury under the laws of the state of Washington that the foregoing is true and correct.

ORDER

After reviewing the Protected Person's motion for an order to rescind or modify or the Domestic Violence No Contact Order, and the court records, the Court finds that:

[] There is a basis to SET THE MATTER FOR HEARING on the date and time listed on page 1.

[] The matter will NOT BE SET FOR HEARING AT THIS TIME. For the reasons set forth below the Court is denying the Protected Person's request for a hearing to modify (replace) or rescind the No Contact Order. The Domestic Violence No-Contact Order referenced above remains in effect.

[] The Defendant is in warrant status or non-compliant with probation requirements or conditions of release set by the Court. The Motion may be reset by the Protected Party.
