

Sheriff's Citizens Advisory Board
April 13, 2015
Minutes

Attendees:

Tower, Jeff (SCSO)	VanLeuvan, Rick (SCSO)	O'Neill, Leigh	Mackenzie, Tom
Peetz, Brandi	Parker, Chuck	Crockett, Carol Lee	Nollette, John
Samadi, Mehrdad	West, Bob	Davisson, Mike	Johnson, Skip
Winn, Kenneth L			

The meeting was called to order at 6:33pm.

The minutes of the March 9, 2015 meeting were approved.

We welcomed a new member Brandi Peetz to the board.

Reviewed and discussed questions from the OZ Fitness Case (please see pages following for a complete list of questions). These questions will be answered by subject matter experts in our May meeting.

Future Meeting:

- Bob West distributed a Power Point on the criminal justice system in Spokane from 1960 to present.
- Bob West has invited Jacqueline van Wormer, Criminal Justice Administrator to our September meeting. She will explain her role and functions of the SCLJC.
- 911 Call Center Tour for the Advisory Group
- New bylaws will be distributed to the group for summer reading for discussion in our September meeting.

Meeting adjourned at 8:36 pm

Next Meeting:

May 11, 2015 at 6:30 pm at the Valley Precinct

Minutes Submitted by
Leigh O'Neill

Investigation Questions

1. Are deputies trained to handle extremely stressful situations and how to de-escalate these situations? If so, please explain in detail what training is required.

Answer:

2. Can we get a demonstration of the Vascular Neck Restraint? Why would a deputy use his knee in the back of a suspect while in an LVR (as Deputy Audie stated in his report)?

Answer:

3. Did Painter run code? Did Audie run code?

Answer:

4. What is the protocol for excited delirium? Please explain in detail.

Answer:

5. Was Audie reprimanded for his unprofessional behavior? Was there any follow/training up to Audie's behavior? Did he apologize to EMT Karnitz?

Answer:

6. Can we get a demonstration on the leg maneuver used on the suspect? (pg. 112)
Excerpt from report: "used to keep subject on the ground using feet applied to suspect's thighs"

Answer:

7. Was the abnormal EKG due to a congenital defect or drug related? (pg.264)

Answer:

8. Drug screen positive from Holy Family/ Rockwood on 6.4.13 and negative from Sacred Heart on 6.5.13, is there an explanation for this?

Answer:

9. How long does meth stay in the blood or your system?

Answer:

10. Why did response take 25 minutes? (pg. 579)

Call Received – 18:56:27

10 minutes

Dispatched – 19:06:51

15 minutes

On Scene – 19:21:24

Observations: Multiple calls from Witnesses. Incident did not seem urgent to 911 operators. In order to get a faster response witnesses mentioned adding a weapon to report.

Answer:

Photo Observations:

11. Photos Disc 1 of 2, File: CS-5501 Reagal 6.7.13 MD

a. Evidence Tag #AG – What was the significance of Jacket in the weeds?

Answer:

12. SCSO 911 & Phone Calls -> 911 Recording:

a. Track 3 & 4 – 911 Operator not assuring about sending someone

b. Track 5,6, 7, & 8 – Witnesses frustrated with no response after 20 minutes. 911 Operator mentions to witnesses to call us back if the situation changes or escalates. Is there some additional training these operators need?

Answer:
